ESDA Director Report

In the absence of ESDA Director Dan Kreps, County Board Office Administrator Crossett read the monthly report. Dan was training on second shift.

All sirens worked during the monthly test.

We had the tabletop exercise in Canton. I had representatives from County Highway, National Weather Service, WIU, and the City of Macomb. The exercise went very well. Each County, that was a victim, stood up and stated what they would be doing after we were given an ice storm scenario. I thought things went very well for our County. It was nice to see how our County was prepared, compared to some of the others.

Storm Spotter training is March 28 at 6pm at the 4H auditorium.

Approval of Claims

Member Sims moved with a second by Member Aurelio to approve the claims as submitted. Motion carried on a voice vote.

Member Aurelio moved with second by Member Trotter to adjourn the meeting. With no further business to discuss the meeting was adjourned at 7:38 p.m.
